

Privacy Policy

This Privacy Policy explains how information about you is collected, used and disclosed by Del Webb Spruce Creek & Country Club. This Privacy Policy applies to information we collect when you use “Services”, or when you otherwise interact with us.

We may change this Privacy Policy from time to time. If we make changes, we will notify you by revising the “Last Updated” date at the top of this policy and, in some cases, we may provide you with additional notice (such as by adding a statement to our website or by sending you a notification). We encourage you to review our Privacy Policy whenever you access the Services or otherwise interact with us to stay informed about our information practices and the ways you can help protect your privacy.

Collection of Information

Information You Provide to Us

We collect information you provide directly to us. For example, we collect information when you create an account, participate in any interactive features of the Services, subscribe to a newsletter or email list, participate in an event, survey, request customer support or otherwise communicate with us.

The types of information we may collect include your name, email address, password, postal address, phone number, photo, preference or interest data, and any other information you choose to provide.

If you provide an email address to invite a friend to participate in the Services, we will collect that email address and use it to send your friend such an invitation.

Information We Collect Automatically

When you access or use our Services, we may automatically collect information about you, including:

Log Information: We collect log information about your use of the Services, including your Internet Protocol (“IP”) address, web request, access times, pages viewed, web browser, links clicked and the page you visited before navigating to the Services.

Mobile Device Information: We collect information about the mobile device you use to access our Services, including the hardware model, operating system, and version, unique device identifiers, mobile network information and information about your use of our mobile applications.

Information Collected by Cookies and Other Tracking Technologies: We and our service providers use various technologies to collect information, including cookies and web beacons. Cookies are small data files stored on your hard drive or in device memory that help us

improve our Services and your experience, see which areas and features of our Services are popular, and count visits. Web beacons are electronic images that may be used in our Services or emails and help deliver cookies, count visits, and understand usage and campaign effectiveness. For more information about cookies, and how to disable them, please see “Your Choices” below.

Information We Collect from Other Sources

We may also obtain information from other sources and combine that with information we collect through our Services. For example, if you create your account through a third-party email service, we will have access to certain information from that site, such as your name, account information, in accordance with the authorization procedures determined by such email service site; we may also collect information about you when you post content to our pages.

Use of Information

We may use information about you for various purposes, including to:

- Provide and deliver the information, and services you request and send you related information;
- Send you technical notices, updates, security alerts, and support and administrative messages;
- Respond to your comments, questions, and requests, and provide customer service;
- Monitor and analyze trends, usage, and activities in connection with our Services;
- Carry out any other purpose for which the information was collected.

Third parties or publicly available sources

We may receive data about you from various third parties and public sources as set out below:

- Analytics providers such as [Google](#)
- Service providers such as [A2 Hosting](#)
- Email provider such as [MailChimp](#)
- Texting provider such as [Mobiniti](#)

We are based in the United States and the information we collect is governed by U.S. law. By accessing or using the Services or otherwise providing information to us, you consent to the processing and transfer of information in and to the U.S. and other countries.

Sharing of Information

We may share information about you as follows or as otherwise described in this Privacy Policy:

- With vendors, consultants and other service providers who need access to such information to carry out work or perform services on our behalf;

- When you participate in the interactive areas of our Services, certain information you provide may be displayed to other users, such as your name, photo, comments and other information you choose to provide;
- If we believe your actions are inconsistent with our user agreements or policies, or to protect the rights, property, and safety of Company or others;
- With your consent or at your direction.

Security

Company takes reasonable measures to help protect information about you from loss, theft, misuse and unauthorized access, disclosure, alteration, and destruction.

Your Choices

Account Information

You may review, correct or modify information maintained in your online account at any time by logging into your account and updating your profile information or [contact us](#). If you wish to delete or deactivate your account, please [contact us](#), but note that some information you provide through the Services may continue to be accessible (e.g., comments you submit through the Services) and that we may continue to store information about you as required by law or for legitimate business purposes. We may also retain cached or archived copies of information about you for a certain period of time.

Cookies
